B. Professional Experience

Lewa has extensive working experience in both the public and private sectors. He has been in research, teaching and consultancy for many years. He has worked with international agencies (USAID, DFID, GTZ, UNDP, UNEP, etc.) for over 15 years. He worked in the government for a total of 16 years. Over time he has gained immense experience working with International agencies as a consultant with SMEs and areas such as leadership & governance, stakeholder management & creation of social

impact, CSR, CSI, institution and capacity building, risk management, grant writing, managing grants, project and program proposals, Decentralized systems (Counties, Local Governments, Municipalities & Councils), and nowadays County governments, NGOs, team building, industry and public corporations in such diverse areas as Strategic Planning & Thinking, Corporate planning, Strategic Investment planning, Public Procurement, Supplies management, Institution & Capacity building, Monitoring and Evaluation, Community mobilization and training, Leadership development, Intersectoral synergies and Coordination of projects, Quality management and Assurance, Corporate placements, Projects management, Team management, Consensus building, Communications, Governance, Corporate social responsibility, Health management, Reproductive health, Policy, Food security and policy, Water management, Poverty alleviation, General management, Participatory management, Stakeholder management, Community Asset Management, Development administration and Training. Related experiences include writing proposals, presenting papers at international professional conferences, supervising graduate students, community development, grant funded applied research projects and development of interdisciplinary studies programs. He has assisted organizations within and outside Kenya to develop their strategic plans, Business plans, and Action Plans geared towards building their capacities, and also change their leadership from transactional to transformative leadership. He has traveled widely and has been to such countries as the UK, Somalia, Mauritius, German, US, South Africa, Indonesia, Malaysia, Austria, Tanzania, Uganda, Mauritius and Zimbabwe. Such extensive travel has exposed Lewa to other cultures, diverse work ethics, global communication dynamics and different work situations and experiences, all very useful in research, consultancy & training. Peter Lewa has undergone the basic UN security training and has a certificate.
